1ST FLOOR, 47, BHAGIRATHI BHAVAN,  
J. P. ROAD, ANDHERI (W), MUMBAI-53 TEL. 022 65640148

“We have worked with Edgecube for past 2 years and are very happy with our association. We had no prior experience of doing customized stalls before we entrusted our work to Edgecube. We had a vision in our mind and some rough drawings of how our stall should look. Edgecube team then made our vision into reality”

“This year we had some last minute additions required to our stall design. Edgecube team worked overtime on location to incorporate the same”

Thank you,  
Kalpesh Shah.
